Driver's Education Update -- please read this important information!

First Flight High School is implementing a new signup system for Driver's Ed to more efficiently offer this service to the 300 students who are eligible or will become eligible for the classroom portion of driver training this year.

Included with this post are documents that also are available on the FFHS website and in the Counseling Center that outline which students can sign up for classes offered throughout the school year. Please carefully read through this information.

Classes throughout the year will serve students further down the eligibility list, and by the end of the school year, every eligible student at FFHS will have the opportunity to take one of the classes here.

ATTN: FFHS Parents Regarding the Classroom Portion of Driver's Education

We are going to a new system for signing up for driver's education. This year we will use date of birth as the criteria for filling driver's education classrooms. The first opportunities will be given to the older students, then to the younger students.

Attached is a list of all students who are eligible for the classroom portion of driver's education at FFHS. Also attached is a list of classes that will be offered at FFHS.

In the future, notices will be posted on Facebook on the FFHS Official Fan Page and on the FFHS Website indicating when registration for the driver's education class opens and the date of birth range. There will be no waiting list for the classroom portion of driver's education and each class holds 35 students.

If parents have questions on the rotation of their child for the driving portion of driver's education, please call the NC Driving School at 1 – 800 – 375 – 6550.

The next class, which is the October/November Saturday Class, will be open to students whose date of birth falls between May 2002 to December 2002. The cost of the class is \$65. Please bring cash or a check made out to FFHS. You will also need to fill out the Restricted Instruction Permit **in Black Ink** and return it with the \$65.00 to Mrs. Mitchell in the Counseling Center at First Flight High School. Attached is the Restricted Instruction Permit form, as well. If you do not have access to a printer, there are copies available.

We are accepting the form (Restricted Instructed Permit) and the fee on Monday, October 16, at 7:45 am. The class will close when it reaches 35 students or Friday, October 20, at 3:00 pm whichever happens first.

If your child is a home schooler, middle schooler or attends the DCAS, please email Debbie Mitchell at FFHS (mitchellde@daretolearn.org) when you see that your child's birthday falls in the range eligible to take the class.
